Here's an example of being a member vs. just buying High Holy Day tickets

\$180 per adult x 2 adults	= \$360.00
\$54 per child x 1 child	= \$ 54.00
\$72 per youth x 1 youth	= <u>\$ 72.00</u>
Total Cost	\$486.00

That translates to:

\$540 - \$486.00 = \$54 difference in cost to join Synagogue
